\* The Company received winding up order for Zenotech Laboratories Nigeria Limited during the previous year and the Company is in the process of filing related reports with RBI.

Books of accounts and other related records/documents of the overseas subsidiaries of the Company were missing and due to non-availability of those records/information, the Company is unable to prepare consolidated accounts and attach the required statements and particulars in terms of the applicable provisions of the Companies Act, 2013 and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The facts of the case had already been reported in earlier years.

Overseas subsidiaries were apparently created; investments and loans were made during the period from 2006-07 to 2010-11 under the erstwhile management headed by Late Dr. Jayaram Chigurupati. Therefore, it was the responsibility of that management to handover those details to the Company during the transition. However, no details on those subsidiaries were made available to your Company. Despite several attempts by the Company to recover them, details concerning those subsidiaries including the documents and certificates related to the foreign exchange transactions which included loans and investments made to those foreign subsidiaries, could not be obtained.

The Company has evaluated and concluded that it is not controlling the US subsidiary. Further the Board had initiated the winding up process for the defunct subsidiary in Brazil, however due to COVID-19 pandemic, the process came to standstill. Accordingly, the Company is of the view that it does not have subsidiaries within the definition of IndAS 110 and hence, it is not required to prepare and present Consolidated Financial Statements.

The Company had filed a complaint before the Hon'ble Economic Offences Court, Nampally, Hyderabad, under the provisions of Section 630 of erstwhile Companies Act, 1956 against the former Managing Director, Late Dr. Jayaram Chigurupati, who was in complete control over the Company affairs during the period of these events. However, due to demise of Dr. Jayaram Chigurupati on January 31, 2019 the case before Economic Offence Court was abated.
